

12-2-10 TCC CHIC-CHAC Meeting notes

Electrical improvement to the kitchen/stage has been completed. Loft ready to be cleaned.

Discussion of how to progress with the Ivy Mumby garden space: ask for permission to pour concrete slab, put up wooden arch.

* Decision to clean-up area, set up small gravel patch and flower pots, fences and other work that can be done without need for permit over next few months prior to T-days.

No Parking Fire lane signs: Mark has worked with Fire Dept and found best rate for signs to bring into compliance. Poles can be made from scrap pipe on the property.

Jane will make the motion tonight at the Board meeting that Mark order 25 proper signs and 2 handicap parking only signs.

Mark thanked Ron Coleman for helping out a lot recently.

Andrea feels that the loft needs a thorough professional cleaning.

- Coleman offered to help with the cleaning. 310-569-1264

Logistics discussed.

Andrea's sister offered more office furniture from her sister. More file cabinets; more shelves with boxes.

TO DO:

- Trim Trees blocking signs: Mark and Jayni
- Light to sign: check bulbs
- Future: timer for big light in driveway?
